Oak Class Home Learning

Well done you Mighty Oaks!

Some superb learning this week:

In maths we have been exploring place value by partitioning and rounding.

For English, we have begun to explore different genres and what language features make an effective story.

We have introduced our new topic – asking the children to share what they know and what they would like to find out about mountains.

Values this term: **School** – Aspiration **Christian** - Thankfulness

Values

Think about what you are thankful for and share it with your parents or carers.

Maths – 4/5/6

Continue with Mathletics challenges and x-table practice.

Mathletics lists to be updated for year 4 next week – so they can join Oak class.

English/**Topic**/Maths

This is home learning for years 4, 5 and 6:

Research a mountain and create an information text about it.

Try to use as many language features of an information text as possible.

Year 5 and 6 task 2 (as per the policy)

Please complete the reading comprehension provided.

SPELLINGS: Please practice the spellings handed out on Friday.

Reading

Year 4 – 20 minutes a day

Years 5/6 – 30 minutes a day.

Please do take time to read with your child. Even in year 6 it is always helpful to read out loud.
