# Oak Class Home Learning

Another great week for the Mighty Oaks!

Our learning this week:

In maths we have been continuing to explore place value – rounding decimals and working with number lines.

As part of our topic learning we have been finding out about the water cycle – then making our own micro-water-cycles and experimenting on how environment impacts on evaporation and condensation.

Values this term: **School** – Aspiration    **Christian** - Thankfulness

## Values

Look up the word aspiration – what does it mean to you?

## English/Topic/Maths

In English, we have started to examine the features of a myth.

**Year 4** – select a Greek myth and create a comic strip retelling the story.

**Year 5/6** – write the outline of the story and organise it into the story structure i.e. opening, build up...

**Year 5 and 6 task 2** - please complete the exercise provided.

## Maths – 4/5/6

Continue with Mathletics challenges and x-table practice.

Mathletics lists (still) to be updated for year 4/5/6 next week.

**SPELLINGS:** Please practice the spellings handed out on Friday.

### Reading

Year 4 – 20 minutes a day

Years 5/6 – 30 minutes a day.

Please do take time to read with your child. Even in year 6, it is always helpful to read out loud.
