Oak Class Home Learning

Well done you Mighty Oaks! A great week! Some fantastic learning all-round!

In maths, we have been developing our use of addition – both mental and written. We used this to answer word question and to investigate a maze problem.

Speaking of mazes, the myth of Theseus and the Minotaur has been our focus in English. We have written some amazing descriptions of the Minotaur and then moved on to use the thoughts of Theseus to introduce an interesting hero.

In topic we have continued to write up our conclusions from the water cycle-investigations. Taking more inspiration from our amazing quarry trip!

Values this term: **School** – Aspiration **Christian** - Thankfulness

Values

What is your aspiration for this academic year?

English/Topic/Maths

This is home learning for year 4: Create a presentation on how sandstone is formed. We will use these as a starting point for exploring how the rock wall was created in the quarry.

5/6: Research how 3 different rocks and/or minerals are created – make a presentation.

Year 5 and 6 task 2 (as per the policy)

Please complete the reading comprehension provided.

Maths – 4/5/6

Continue with Mathletics challenges and x-table practice.

Mathletics lists to be updated for year 4 next week – so they can join Oak class – next week...

SPELLINGS: Please practice the spellings handed out on Friday.

Reading

Year 4 – 20 minutes a day

Years 5/6 – 30 minutes a day.

Please do take time to read with your child. Even in year 6 it is always helpful to read out loud.
