Rowan Class Year 1 Home Learning

We have had another enjoyable week in Rowan Class, continuing to explore place value by looking at tens and ones and representations of numbers. In English we have been busy describing dinosaurs and writing thought bubbles for some of the characters in 'Harry and the Bucketful of Dinosaurs'. We got messy and sticky whilst making salt-dough to use to make our very own dinosaur fossils! We have enjoyed PE outside in the sunshine, too!

Values this term:

School value -

Aspiration

Christian value -

Thankfulness

This week's home learning:

Have a go at designing your own dinosaur. You can create it from scratch or use a template. Think carefully about things like the texture of its skin, will it have horns? What would it eat? Does it swim, fly or walk? Would your dinosaur have any special powers? You could draw it or make it and you could even write some labels. I look forward to seeing your creations!

Spellings: Please complete your weekly spellings, look out for those tricky words!

Reading: Remember to keep reading regularly. Can you read your book to another family member?
