Rowan Class Year 1 Home Learning

Another week has flown by. We have been busy exploring 2D and 3D shapes in maths, we particularly enjoyed creating repeating patterns using the 3D shapes to print 2D shapes. In English we have been drafting, editing and publishing our letters to a dinosaur, these will soon be ready to send to the museum. We have been practising our songs for the nativity and we are getting pretty good now. Rowan class has some wonderful singers!

Values this term: School value - Friendship Christian value - Compassion

Values:

Draw something
that shows
friendship.

This week's home learning:

Can you make a list of all the 3D shapes you can see in your house? Write what the item is and what shape it is. This could be the microwave, a box of tissues, or even a piece of fruit.

Spellings: Please complete your weekly spellings, look out for those tricky words!

Reading: Remember to keep reading regularly. Can you read your book to another family member?
