## Rowan Class Year 1 Home Learning

What a chilly week it has been. In Rowan class, we have been busy discussing why Mary Anning is an important figure and what she is famous for, in preparation for writing a fact file about her life. In maths we have been recapping place value by exploring what numbers are made of and how we can represent them. We have been rehearsing our nativity everyday to make sure we know it really well. We have also been busy painting and decorating our home-made christmas tree.

**Values this term:** School value - Friendship Christian value - Compassion

### Values:

**Secret Santa** - Think of an act of friendship you could do for a friend that would make them happy. Try to do it secretly.

### This week's home learning:

Imagine you have been on a fossil hunt, just like Mary Anning used to, describe how she felt when she first discovered the fossil of an ichthyosaur. You could start with, 'I was walking on the beach on morning when...'

**Spellings:** Please complete your weekly spellings, look out for those tricky words!

**Reading:** Remember to keep reading regularly. Can you read your book to another family member?
