

TOPIC
OAK CLASS
Spring Term 2020

Topic: A child's war

French

As linguists, we will continue learn common phrases, animals and different types of weather.

English

As writers, we will be exploring stories from other cultures – starting off with a text involving the Mexican festival: The Day of the Dead. We will then use this to write non-fiction Information texts and then extend our learning to involve African tales. We will also be using topic to write letters of persuasion...

Mathematics

As mathematicians we will continue to follow the White Rose scheme of learning. This term sees the following areas being covered: Measurement, Multiplication and Division, Fractions, Decimals and Shape/Space.

RE

Big Question:

As theologians we will look at the questions:

Do clothes express religious belief?

Why do Christians call the day after Jesus died, Good Friday?

Art & DT

As artists we will be making models and creating African art – taking inspiration from Filda's story.

PE

As athletes and gymnasts, we will be exploring balance and routines through dance, and striking using a racket ion badminton.

Music

As musicians we will continue to learn to play the flute and explore African folk music.

Science

As scientists we will be investigating and experimenting with light and sound.

Humanities

A siren sounds, the air fills with the sounds of engines roaring. Explosions ring out. Take cover! It is 1939 and Britain is at war.

As historians we will be exploring the Battle of Britain and the consequences of World War 2.

PSHE

Values: Courage & Resilience

As human beings, we will be exploring feelings and emotions and how they impact on the relationships around us.

Computing

As computer scientists we will be recording and editing video footage.
