Rowan Class Home Learning

We have had another fantastic week being superheroes, we have been super friends and super learners. We have completed some more amazing writing, this time creating and describing our own hero and villain ready to write a comic strip. In maths, Reception have been exploring numbers 9 and 10 and Year 1 have been subtracting by finding the difference and exploring related facts. We have enjoyed painting our superheroes that we made last week and have also begun our Chinese New Year celebrations.

Values this term: School value - Courage Christian value - Resilience

Values:

Can you think of a time you have had to be courageous? What was it that made you scared? Did someone or something help you to be courageous?

This week's home learning:

Year 1: If you could have a super power, what would it be? Would you be able to fly? Become invisible? See through buildings? Draw a picture of yourself as a superhero, using your super power. Write about some of the adventures you might have and how you might use your super power.

Reception: Can you remember some of the real-life superheroes that we talked about in class? Tell someone at home and explain why we thought they were a superhero.

Spellings: Please complete your weekly spellings, look out for those tricky words!

Reading: Remember to keep reading regularly. Can you read your book to another family member?
