

Friday 7th February 2020

Oak Class Home Learning

Another amazing week with the mighty Oaks!

This week, we have been:

Consolidating our angles learning – exploring/investigating turns and directions, drawing and measuring our own angles and so much more... Year 6 extended on their percentages learning from last week to look at pie charts – consolidating fractions and making connections with angle learning.

For English, we have started to explore the features of tales from other cultures – looking at the story of Siece's Crater. AMAZING HOME LEARNING FROM LAST WEEK!!! We looked at it on Friday...

In topic, we have enjoyed more creative activities with the artists and musicians that visited us on Tuesday and Friday. More on that later...

In RE, we have continued to discuss clothing and the link between faith, holy texts and clothes.

Values

Can you think of a story – perhaps from the bible – that shows bravery?

English/**Topic**/Maths

Use books and other resources to find out information on the Second World War. One of our history targets is to find out how an event from the past effected your local area?

Were there any evacuees in Oxfordshire? How did the war impact on Oxfordshire or Kirtlington – specifically?

Years 5/6: Will have an additional reading comprehension (as per the policy)

Maths – 4/5/6

Continue with Mathletics challenges and x-table practice.

SPELLINGS: Please practice the spellings handed out on Friday.

Reading

Year 4 – 20 minutes a day

Years 5/6 – 30 minutes a day.

Please do take time to read with your child. Even in year 6 it is always helpful to read out loud.
