Rowan Class Home Learning

We have had a super first week back after the half term holidays. Year 1 children have finished off their work on place value by learning how to count in twos and fives. In English we have begun preparing to write a newspaper report about our superheroes. Reception children have been learning the story of The Three Little Pigs by making a text map and re-telling the story using actions. They have continued exploring number bonds to ten and have been making them using different equipment. In PE we have been learning ball skills, rolling the ball up and down our bodies using one hand! We have also been testing out our superhero skills and working out which skills are linked to which part of the body. We have enjoyed spending time in the prayer space this week too.

Values this term: School value - Integrity Christian value - Justice

Values:

"It is not fair to ask of others what you are not willing to do yourself." ~Eleanor Roosevelt~

Discuss with your family the meaning of this quote by a former first lady, of America, who dedicated her life to improving the quality of people's lives around the world.

Think about situations you see as unfair and then come up with some solutions together.

This week's home learning:

Year 1: Can you practise counting in twos and fives at home? Can you count all the pairs of shoes or socks that you can find? How many fingers and toes are there in your family?

Reception: Can you draw a picture of a real-life superhero? You could draw a doctor, a firefighter or even a lifeguard. Can you label them or write a sentence about them?

Spellings: Please complete your weekly spellings, look out for those tricky words!

Reading: Remember to keep reading regularly. Can you read your book to another family member? You can practise your phonics using the Phonics Play website <https://www.phonicsplay.co.uk/>
