Rowan Class Home Learning

This week, Year 1 have been exploring place value in maths, looking at tens and ones and ways of representing numbers. In English, we have written some amazing comic strips and have used these to write a superhero story. Reception children have been discussing 'people who help us' and writing about what they do. We have been learning about number bonds to ten in Maths and we are getting good at remembering them now. For Children's Mental Health Week, we have been talking about bravery and when we have needed to be brave and what has helped us to be brave. We have also been learning about the seven continents and have learnt a song to help us remember them all.

Values this term: School value - **Courage** Christian value - **Resilience**

Values:

Can you think of a story where someone has been brave?

This week's home learning:

Year 1: Can you design and label a costume for a superhero? Perhaps they could have jet powered boots or a fireproof cape? Remember to add colours and include any gadgets you think they might need.

Reception: Can you move like a superhero using the skills we have learnt in PE? You could run, jump, balance or crawl.

Spellings: Please complete your weekly spellings, look out for those tricky words!

Reading: Remember to keep reading regularly. Can you read your book to another family member? You can practise your phonics using the Phonics Play website <https://www.phonicsplay.co.uk/>
