Oak Class Home Learning

Awesome work you Mighty Oaks!

This week, we have been:

Year 6 – decimals, percentages, BODMAS and ratio! Wowser!

Year 4/5 have been solving more fraction problems – year fours have been finding fractions of amounts, and year fives have been multiplying mixed numbers.

In topic, we have built on our knowledge of WW2 by creating time-lines of events. We built on this by exploring the importance of the Treaty of Versailles and the hardships felt by the German people. We then moved on to investigating sources – exploring the difference between primary and secondary sources.

In RE, we have continued to discuss clothing and the link between faith, holy texts and clothes.

Values

Think about a prayer about justice that you can share with the class

English/Topic

Years 4/5/6: Celebrating Sportsrelief, I challenge the children of Oak class to keep a sports diary – whenever you are doing something active, take your pulse before and after (make sure to record the time). Please record in a table and describe the activity and the impact/effects on your body.

We will use this to present data in time graphs.

Years 5/6: Will have an additional reading comprehension (as per the policy)

Year 6 are to complete the practice questions in their English CGP book on P27-29. Complete maths problems on P50 (not 51).

SPELLINGS: Please practice the spellings handed out on Friday.

Reading

Year 4 – 20 minutes a day

Years 5/6 – 30 minutes a day.

Please do take time to read with your child. Even in year 6 it is always helpful to read out loud.

**Maths – 4/5/6
Continue with
Mathletics
challenges and x-
table practice.**
