# Oak Class Home Learning

Another fine week with the Mighty Oaks!

This week, we have been:

Year 6 – exploring BODMAS – to solve equations with multiple operations. Also, we have been finding coordinates in four quadrants. And, solving problems using weights and measure.

Year 4/5 have been solving fractions problems including mixed numbers and improper fractions – with a focus on using bar modelling.

For English, we have begun to explore persuasive writing and discussion texts – working in groups to create a letter arguing for us to celebrate Day of the Dead in Kirtlington. It was a positive exercise to create arguments by using facts and opinions.

In topic, we have built on our knowledge of air raids and written a report on the Anderson Shelter.

In RE, we have continued to discuss clothing and the link between faith, holy texts and clothes.

## Values

Values Write what you think justice means and why it is important.

Words of Wisdom:

*“Injustice anywhere is a threat to justice everywhere”*

Martin Luther King

## English/Topic/Maths

Years 4/5/6: Build upon our knowledge of Anderson shelters – research and plan how you would construct a model of one. Can you think about the materials that would be effective?

This is a D and T target that links to history.

Years 5/6: Will have an additional reading comprehension (as per the policy)

Year 6 are to complete the practice questions in their English CGP book on P15-17. Complete maths problems on P34-35.

**SPELLINGS:** Please practice the spellings handed out on Friday.

### Reading

Year 4 – 20 minutes a day

Years 5/6 – 30 minutes a day.

Please do take time to read with your child. Even in year 6 it is always helpful to read out loud.

**Maths – 4/5/6  
Continue with  
Mathletics  
challenges and x-  
table practice.**
