

Monday 16th March - Friday 20th March 2020

Rowan Class Learning From Home

Hello! This is what we have been doing in school this week, here are some challenges for you to have a go at, at home. Remember to take pictures!

Reception

Maths: We have continued exploring 3D shapes and their properties. Can you find any 3D shapes in your house? Can you remember the names of any 3D shapes? Remember to keep counting things around your house such as the stairs or how many shoes there are in your house. There are lots of games available at

<https://www.topmarks.co.uk/Search.aspx?Subject=16&AgeGroup=1>

English: This week we have written a thank you letter to the firefighters who came to visit us at school last Tuesday. Have a go at this if you wish, it only needs to be a few words or sentences, or you could draw a picture. Can you remember any of the things the firefighters had in their fire engine or what they wore as part of their uniform? If so, have a go at making a list. If you would like to continue our daily writing that we do in school, the following website provides a daily picture www.pobble365.com

Phonics: Please keep practising your phonics by using the Phonics Play website www.phonicsplay.co.uk There are lots of games that you will recognise. We are working hard on our phase 2 and 3 sounds. Please continue reading daily and listening to stories with your family.
