Rowan Class Home Learning

What a busy week we have had! We had an exciting morning on Tuesday when we were visited by the fire service. They came in their fire engine and showed us what equipment they carried around with them and then we got to sit in the fire engine. After that, one of the fire fighters talked to us about fire safety. In English, we are all having a go at writing a recount of our visit from the fire service. In Maths, Reception children are exploring 3D shapes and Year 1 children are looking at weight and mass. In Science we have discussed what we would include in a meal fit for a superhero.

Values this term: School value - Integrity Christian value - Justice

Values:

Write a prayer about justice that you can share with the class.

This week's home learning:

Year 1: Can you write about what you learnt from the visit from the fire service? What did they carry in the fire engine? What are the three rules if there is a fire?

Reception: Can you find any 3D shapes in your house? What shape is the microwave? Or a ball?

Spellings (y1): Please complete your weekly spellings, look out for those tricky words!

Reading: Remember to keep reading regularly. Can you read your book to another family member? You can practise your phonics using the Phonics Play website <https://www.phonicsplay.co.uk/>
