## Rowan Class Home Learning

This week, Reception children have enjoyed practising their positional language by giving instructions to a partner to help them complete an obstacle course. In English, they have been creating and describing characters for their own version of The Three Little Pigs. In Year 1, we have been planning and drafting our newspaper report about our superheroes, and have been exploring length and height by measuring items around the classroom. We have also enjoyed creating some wonderful Pop Art by making black and white portraits colourful!

**Values this term: School value - Integrity Christian value - Justice**

### Values:

Write what you think justice means and why it is important.

#### Words of Wisdom

"Injustice anywhere is a threat to justice everywhere"

Martin Luther King

### This week's home learning:

**Year 1:** Can you compare the length and height of items in your house? Choose two items and compare them, then write it in a list like this, 'The shoe is longer than the pencil'. **Extension:** Can you order the items?

**Reception:** Can you practise using positional language by putting an item in different positions? You might put a teddy under the chair, then on the chair and then next to the chair. You could take photos, or draw it, if you want to!

**Spellings (Y1):** Please complete your weekly spellings, look out for those tricky words!

**Reading:** Remember to keep reading regularly. Can you read your book to another family member? You can practise your phonics using the Phonics Play website <https://www.phonicsplay.co.uk/>
