Covid 19 School plan to reopen

Dear Parents/Carers,

This week the government announced that it no longer expects primary schools to bring back all year groups before the end of the summer term. We are currently waiting for an updated list for wider opening and further guidance from the government on how to welcome more year groups back. As soon as we can, we will inform you of the next stage in our reopening plan. At the centre of any future planning will be the ongoing safety of all our pupils and the wellbeing of the teaching team.

Continuing plan for Reception/Year 1- Rowan Class

We are pleased with the transition that Rowan class children have made since returning to school on Monday 1st June and would like to thank you for your support in making this such a success.

Whilst we await confirmation of the government's new guidelines for the rest of the summer term, we will continue to welcome back Year 1 children on Mondays and Tuesdays at 9.00am and Reception children on Wednesdays and Thursdays at 9am. This will now continue for the week beginning Monday 15th June and Monday 22nd June.

In order to reduce transmission at the end of the day, please continue to collect your child at **2.45pm**.

For children in Years R,1 and 6

For our safeguarding procedures, please continue to email the school office to notify us of your child's absence if they will not be in school on the days we are expecting them.

Thank you for your continued support and patience.

Warm regards,

Miss Williams
