20th April 2020

Dear parents/carers,

We hope you all had a restful Easter break and welcome to our very first remote summer term!

We have all had to adapt to new ways of working in a very short space of time and we want to take the opportunity to say thank you for supporting your child's wellbeing and learning during this time at home.

It is definitely a strange and challenging time for all of us so it is perfectly natural if you and your child feel at all worried at the moment. Please remember, if you have any concerns about helping your child learn or you need any other support from the school, please continue to contact us via the school office email and we will do our best to support you.

The school is not the same without all of the children and we miss them very much, but we must follow the government's guidance to keep everyone in our community safe. We are continuing with our google classroom learning this term and there will be a class letter from the teachers detailing their learning for the term later in the week.

We love seeing the children's fantastic learning at home so please keep posting their work as it helps us with our future planning.

We cannot say yet when we will be able to open the school fully, but rest assured that we will continue doing our utmost to keep your child learning and our school community safe.

Let's hope the sun keeps shining as we start the summer term!

Warm regards,

Miss Williams and the team

Headteacher: Louise Williams

Chair of Governors: Paul Clifford

School Business Manager: Ruth Pangu
