Issue 1: Autumn 2020

A belated welcome back to school from the KSF team – what a strange year it has been! We hope all the kids have settled back in and the new Reception children are having fun. As we try and find a new fundraising normal, we would really love to have your support to ensure we can do the best for our school and our children.

Our focus this year is on the welfare of the children and making time at school fun by enhancing the playground.

FUNDRAISING EVENTS AUTUMN TERM

Donations

We don't often ask directly for donations, we'd rather have fun events, but we missed out on a lot of big fundraising last year. We know everyone is in a different situation, but if you are in a position to make a donation to help us fill the gap from last year – no matter how big or small – we would be grateful. Please email or speak to one of the team to find out how. Thank you.
