

TOPIC

Years Rec & 1

Autumn Term 2020

Topic: Childhood

English

As Year 1 writers, we will be exploring the books *Lost in the Toy Museum* and *Jack and the Beanstalk*. We will be writing instructions, descriptions, short stories, letters and posters.
In Reception, we will be completing guided writing activities such as short stories and character descriptions.

Mathematics

As Year 1 mathematicians, we will be working on place value and addition and subtraction.
As Reception mathematicians, we will be looking at matching, sorting and comparing, and comparing size, mass and capacity as well as exploring patterns.

RE

Big Question:

As theologians we will look at the questions:

What do Christians think God was like?

Why do Christians celebrate Christmas?

Art & DT

As Year 1 & Reception artists and designers, we will be exploring the work of several different artists and learning new skills required to create artwork in their styles.

PE

As athletes, we will be using the Real PE scheme of work to practise our coordination skills through sending and receiving activities as well as our agility skills through reaction/response activities.

Science

As Year 1 scientists, we will be finding out about everyday materials and their properties. We will be identifying and comparing materials and completing investigations to find out which materials are suitable for different purposes. As Reception scientists, we will be learning how to grow beansprouts,

Humanities

As Year 1 historians, we will be finding out about life in the in the 1950s, particularly childhood, including how toys from the 1950s compare to toys we have now. We will also be looking at timelines to find out what significant event happened in the 1950s.

PSHE

We will be learning about families and close positive relationships including discussing the roles different people play in our lives, the people who love and care for us and what they do to help us feel cared for, different types of families including those that may be different to our own, and how to identify common features of family life.

Computing

In Reception and Year 1, we will be exploring the importance of online safety and what key things we need to consider before using the internet in order to keep ourselves safe. We will also be having a go at some simple coding using BeeBots.
