

Dear Parents and Carers,

Firstly, I would like to say happy new year and thank you so much for all the support as a community you have all shown since we started in September. The children have loved it, had great fun and had the chance to play with their friends during some difficult times.

We have worked closely with Mrs Baker and we are very keen to make sure you the parents have a safe and caring childcare facility within school for your children to attend. This is still very fluid and we are aware this is a need and we are trying to meet those needs, so all feedback is gratefully received.

Shorter sessions after half term

Great news, after half term we will be offering a limited amount of short sessions Tuesday – Thursday until 4.30 after half term. There will be limited places available for these shorter sessions so they must be booked in advance. The system will be ready to take booking from Monday 31st January, and you can book for the whole academic year. Some sessions are in high demand, and due staffing, and planning purposes, we only have a small number of shorter sessions. If you do book a longer session, you can collect at any time.

Goodbye to Gina

We sadly will be saying good bye to Gina on Thursday, feel free to come and say goodbye. From next week, Cheryl and Sarah will be 'flying' and taking care of your children before and after school.

Helper required

We are also looking for a helper, a parent that could help and to cover absences or an hour after school on occasions where an extra person is needed. Please call if interested.
