School Christian Value: Perseverance

13<sup>th</sup> May 2022

Dear parents and carers,

We have reached the end of another incredibly busy week.

Year 6 have been amazing during SATs week demonstrating resilience whilst remaining calm throughout. Well done to all and thank you to Mr Protherough who has taught them so well over the last three years.

### Rowan Class

Children in Rowan class have been learning about Monet in art. They used pastels to create landscapes and cityscapes, thinking carefully about their colour choice.

### Willow Class

We welcomed a new child from Ukraine this week. He has settled in really well and had a wonderful welcome from the pupils. He celebrated his birthday during the week. We were very lucky to receive a beautiful homemade Ukrainian cake. There was even enough left for the staff! Thank you so much!

### Oak Class

Oak class have been learning about the history of bridges and the structures that support them. They worked in small groups to investigate different designs. Then children then went on to draw their own designs. We have a few budding engineers!

## Forest School

Rowan class had their last session at forest school and enjoyed toasting marshmallows on an open fire. The children have thoroughly enjoyed their time on Friday afternoons. Thank you to Mrs Meager for planning such amazing sessions.

## Mayday Jubilee Celebrations

Preparations are well underway for our Mayday Jubilee celebrations. Mr Langrish (grandparent) has been helping Oak class to learn some Maypole dancing. Mrs Langrish has been teaching country dancing to Willow class.

## Oxford Hawkes Hockey

Children in all classes are enjoying hockey with Oxford Hawkes. They are learning lots of new skills including, Indian and Pakistan dribbling, passing and hitting.

## Diary Dates

25 <sup>th</sup> May	Fire Service visit for Rowan and Willow Class
26 <sup>th</sup> May	Reception and Y6 Heights and Weights
27 <sup>th</sup> May	Jubilee picnic lunch
