Dear Oak Class Parents,

### **Recorder Club for Oak Class**

As you will have read in the newsletter, I will be teaching music to Oak Class on a Wednesday afternoon. During our lessons, we will be listening and responding to many different styles of music, singing, playing instruments, composing, improvising, using music technology and developing our general musicianship skills. This year, we will therefore not have space in our class timetable for whole class instrumental lessons delivered by OCC First Access scheme.

I would still like to give pupils the opportunity to learn an instrument at school for no cost. I will be running a lunchtime recorder club for Oak Class pupils, starting in the next few weeks. Recorders can be borrowed from school for both the club and to take home (children will be given “their own” numbered instrument) and music will be provided. We will be learning as a group, not individuals, so there will be an expectation that pupils practise at home during the week in order for the whole group to progress together.

For those of you with younger children in school, there are plans to set up a second club later in the academic year for younger pupils.

I will hold a brief lunchtime meeting next week for Oak class to explain to the pupils about the club. Please do not hesitate to ask if you have any further questions.

Many thanks

*Mrs Langrish*
