

## KIRTLINGTON SCHOOL PUPIL SURVEY - JULY 2022

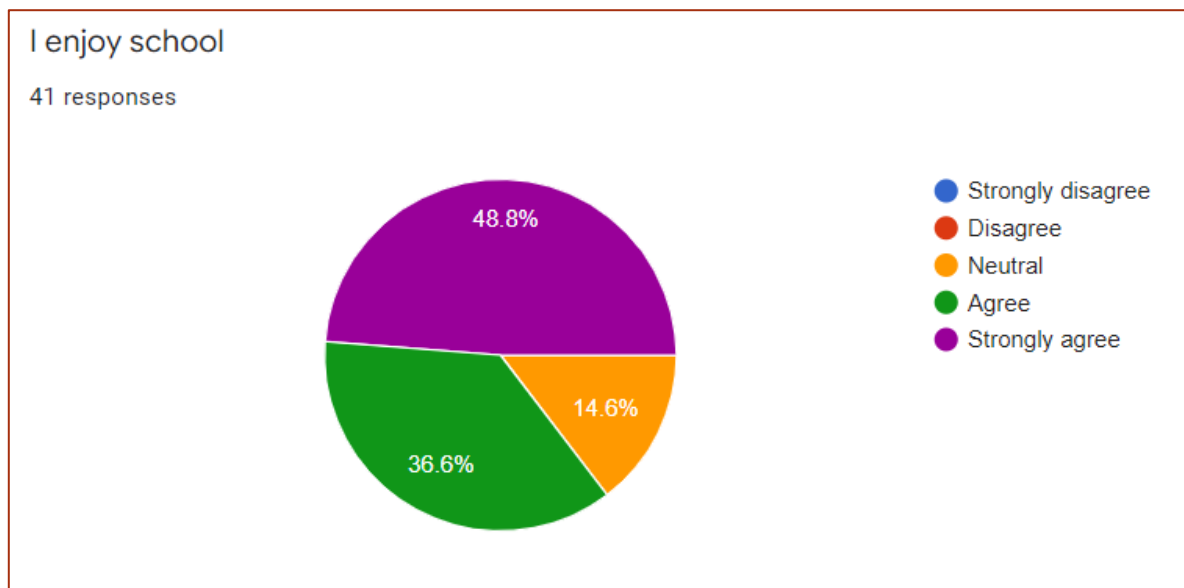

### SUMMARY OF RESULTS

#### OVERVIEW

Children in years 2-6 (a total of 41 pupils) completed an online survey. The results show that the majority of children enjoy being at school and feel safe there. All the children felt that bullying wasn't a problem at school and that incidents were effectively dealt with by teachers. The majority of children felt that they were supported and listened to by staff.

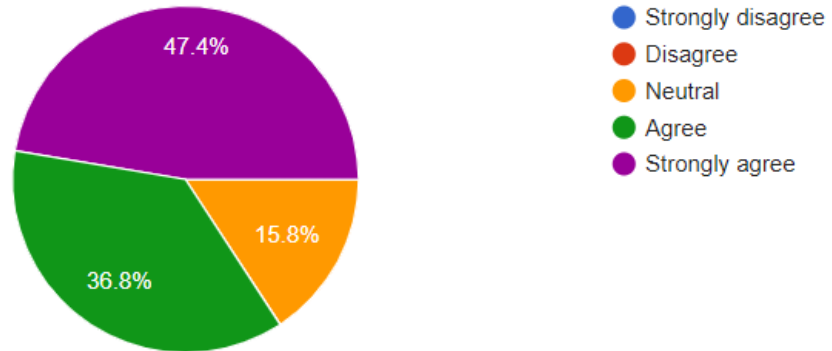

The survey was anonymous but where there were negative responses we will be talking to all the children to see if there are things that we can improve. We will also be thinking about how best to get feedback from our youngest pupils when we run the survey again this year.
