12<sup>th</sup> January 2023

Dear parents and carers,

**Science Oxford Planetarium visit to school – Tuesday 31<sup>st</sup> January**

Oak Class have been offered a fantastic experience to consolidate our learning about the solar system from last term. [Science Oxford](#) have amazing resources that can bring the experience of a planetarium to our school, without the additional cost of using a bus to transport the children, it is a great opportunity to engage and excite the mighty Oaks...

We understand that it is short notice and so soon after Christmas, so a voluntary contribution can be made in February if needed.

The voluntary contribution of £11.50 per child has been loaded to ParentPay. With the cost of living crisis, please do talk to Mrs Baker in confidence if you are not able to make this payment, as we may be able to support you.

Kind Regards

Mr Protherough  
Oak Class Teacher
