

The aim is to complete at least one activity from the grid, each week, to earn house points, but please feel free to complete more as you wish. For each activity you will get 3 house points. How many house points can you earn?

Please highlight on the grid the activities you complete and make sure they are clearly labelled in your home learning book. We hope you enjoy these home learning activities, and we look forward to seeing your work at the presentation day, at the end of term.

<p style="text-align: center;">Topic</p> <p>The coastline is where land meets an ocean or sea. Print out a blank map of the United Kingdom, then complete the tasks listed. • Colour and label the countries of the United Kingdom on the map. • Draw around or highlight the United Kingdom's coastline on the map. • Label the seas and the ocean that meet the United Kingdom's coastline. • Label the names of a few coastal places on the map</p>	<p style="text-align: center;">Topic</p> <p>Make a 3D sea animal using materials of your choice. You could use papier mache, playdough, plastic bottles, fabric, lego or any recyclable materials you can find around your home and any natural materials. It's up to you.</p>	<p style="text-align: center;">Topic/Writing</p> <p>Learn some beach tongue twisters and riddles. Can you write some of your own? Can you use alliteration, eg Big, blue, beach balls bouncing on the beach.</p>	<p style="text-align: center;">Topic/Art</p> <p>Create a collage showing the beach and seaside.</p>
<p style="text-align: center;">Science</p> <p>Make up a game for 7 year olds using forces (push pull and twist). Provide instructions for playing.</p>	<p style="text-align: center;">Topic</p> <p>Visit the website BBC Bitesize - Coastlines - erosion and watch the video to learn about the physical process of erosion, which changes the coastline over time. Create an information poster to show what you have learned about erosion and how it changes the coastline. Include a title, facts and one or more pictures with captions.</p>	<p style="text-align: center;">Topic/DT</p> <p>Create a model of a coastline using a box- it could be a shoebox or bigger!</p>	<p style="text-align: center;">Topic</p> <p>If you can, take a coastal walk. Spot physical and human features on the route, look for coastal erosion and take photographs. Write a diary extract about the day. Include a description of the features you saw, what you smelled and what you heard. Alternatively, visit the website National Trust - Best coastal walks and paths in the UK, and watch the video featuring Lizzie Daly. Write a description of the features on her coastal walk.</p>

<p style="text-align: center;">Topic</p> <p>Write a list of things that children and adults should do to stay safe at the coast. Examples include, taking notice of warning signs, and children being with an adult when near water. Once complete, use your list and what you have learned to design a poster to help people stay safe when visiting the coast. Include a title, bright colours, pictures and important information.</p>	<p style="text-align: center;">Science/Writing</p> <p>Create a poster showing what forces you can see in every day life eg swings, door handles (push and pull), chair table standing still (gravity). We are looking for diagrams and written text to describe each force.</p>	<p style="text-align: center;">Topic</p> <p>The Royal National Lifeboat Institution, also called the RNLI, is a volunteer-run charity that carries out sea rescues and save lives. Find out about the types of boats that the RNLI use, where their stations are located, what happens at the stations, and what their volunteers do. Write interesting facts and draw pictures with captions to record your findings.</p>	<p style="text-align: center;">Science</p> <p>Draw and label 5 magnets used in every day life in your home.</p>
<p style="text-align: center;">Topic /Art</p> <p>Make a miniature seashore garden using natural materials such as pebbles, twigs, sand and shells.</p>	<p style="text-align: center;">Topic</p> <p>Use a range of sources to find out about Grace Darling and Captain James Cook. We remember them for different reasons. Complete the tasks and answer the questions about these two significant historical people. • Draw a portrait of Grace Darling and Captain James Cook and add a caption. • When did they live? • What did they do? • How did they help people? • Why do we remember them today?</p>	<p style="text-align: center;">Art</p> <p>Make a mosaic of an item of your choice using coloured card/paper.</p>	<p style="text-align: center;">Topic</p> <p>A map is a picture of a place, usually drawn from above. Symbols are used on maps to show landmarks, places and features. The key explains what these symbols mean. Use the OS Maps website to find places on the coast. Choose one coastal location and draw a simple map of the place with a key, using the online map to help. Include some physical and human features on your map.</p>
