3rd February 2023

Dear Parents and Carers,

It has been a fun week at school with the children in Oak Class enjoying their visit from the Science Oxford Planetarium, children in Willow making mosaics and children in Rowan Class starting their challenge passports. We hope you've seen all the updates on FaceBook.

Goodbye
We are extremely sad to say goodbye to Yehor and his family today as they move to a new home. Yehor has become a valued member of the school, making us smile with his singing and his magic tricks. We wish him and his family all the very best for the future.

Oak Class French Play – Wednesday 8th February at 14:40pm
Oak Class parents and carers are invited in to the school all next Wednesday to watch their children perform a French play. We hope to see you all there.

Road Safety
Many of you will have seen that there was an issue with the barrier on the pavement this week. Please rest assured that we are speaking to both the Parish Council and Oxfordshire County Council. They are also going to meet with us to discuss a proposal on a safer crossing area. We will keep you updated on this.
