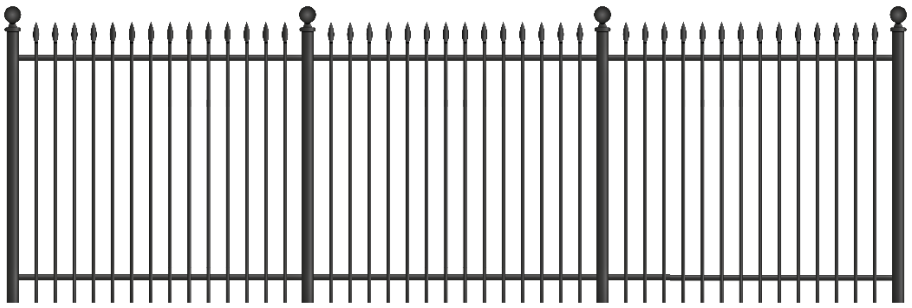
Volunteers Wanted!

We have two projects that we would like to complete over the next few months. As you will all be aware, school budgets are being constantly squeezed, and employing external contractors is a pricey business. Parent manpower, expertise, and tools will enable us to improve our school environment in a more timely and cost-effective way. It may also be fun! If you are able and willing to help with either (or both) of the following projects, please could you let us know via the office or in person at the school gate.



1. RESPRAY THE FRONT FENCE – not a catchy title but does what it says on the tin. We need a team who are willing to give up a few hours to sand down and respray the low metal fencing at the front of the school. Sanding tools will be needed if anyone has access to these. If anyone has, or knows someone who might lend us, a paint sprayer, that would also make the job quicker. School will supply paint, tea and cake!

A provisional date for this job is the weekend of 11th / 12th May.

2. SENSORY GARDEN – we are converting the old pond area and courtyard into a sensory garden and reflection space. Muscle is needed to remove fencing and landscape the small area; gardening expertise and tools are needed to help with planting. Donations of attractive pots and/or plants will be greatly welcomed.

We would like to put together a team of volunteers, including someone / a partnership who would be willing to lead and coordinate this project, with a view to completing over the summer term / for September.

Please let us know if you, friends or family could help us with these projects. Your help is greatly appreciated.

On a slightly different note, our new Forest School Leader is starting after Easter, and we would like to find a parent volunteer who would be able to help out with Forest School on a Thursday afternoon. A member of class staff will also be assisting. Ideally, we would like a volunteer who could commit to a weekly session, however if this is not possible, we would consider a parent rota so please let us know if you are interested even if you cannot commit to every week.
