24th April 2024

Dear Parents and Carers.

We need your help!

For this term's topic, 'Sunshine and Sunflowers', we are hoping to grow some plants. We are on the lookout for some plastic planters, large plastic pots and compost to grow sunflowers, sweet peas and other plants in.

Do you have anything any of these items at home that you would consider donating to us before we head to the shops?

We are also on the hunt for some additional books for our topic. We would be grateful if anyone has a copy of the following books that we could borrow until half term.

- Ten Seeds by Ruth Brown
- Katie and the Sunflowers by James Mayhew
- The Growing Story by Ruth Krauss & Helen Oxenbury
- A Fruit is a Suitcase for Seeds by Jean Richards
- Eddie's Garden and How to Make Things Grow by Sarah Garland
- Yucky Worms by Vivian French
- The Tiny Seed by Eric Carle

(and any other books related to sunflowers/seeds/growing you would be willing to lend us)

Please put your child's name inside the book so we can keep track of the books and return them to you.

Many thanks,
Miss Grocutt and the Rowan Class Team.
