Kirtlington Primary School

Sensory *Garden*

WORKING PARTY

SAT 29TH MAR

from 1:30-4pm

We will be digging over areas for planting, removing paving slabs and mapping out new paths. Please bring any useful garden tools you have, such as forks and spades.

Even if you can't help on the day, we would still be grateful for any plant or pot donations to help fill the garden.

Let us know if you can come!

Future date for your diaries: Final planting Saturday 10th May 1:30 - 4pm
