STARGAZING EVENING

WEDNESDAY 5TH MARCH

STARTING AT 5:30PM

Come along for a free evening of fun activities and stargazing at school

We will start at 5:30pm with a talk and some fun activities in the hall and then move into the playground from 6pm. It should be dark enough for the children to start viewing the moon and planets through telescopes from Chipping Norton Amateur Astronomers Group (CNAAG).

Tea, coffee, cold drinks and pizza available (donations towards costs gratefully received).

This event is open to children in Lime, Willow and Oak Class and their families.

Children are the responsibility of their parents.

WEATHER DEPENDANT
