Dear Parents and carers,

Parent Governor Vacancy

There is a vacancy for a parent governor on our school's governing board and I am writing to invite nominations to fill this vacancy.

The governing board has an extremely important role. They are responsible for the strategic direction of the school, working in partnership with the headteacher, promoting high standards of educational achievement and ensuring our resources are used to maximum impact.

Parent governors are a vital part of the school's governing board. They also help to ensure the board is connected with the parents at the school (although you are not expected to be a spokesperson for parents).

Who can be a parent governor?

Any parent which includes a person with parental responsibility, or carer, of a registered pupil at the school at the time of election is eligible to stand for election as a parent governor. Parent governors may continue to hold office until the end of their term of office (4 years) even if their child leaves the school.

You do not need to have any background or experience in education to be a governor. The main requirement is enthusiasm and commitment. All governors receive training to help them carry out their role.

The enclosed sheet summarises the disqualification criteria to serve as a governor. Anyone standing for election must certify that they are not disqualified for any reason listed. All governors must apply for a DBS check. This will be arranged by the school. Parents/carers who have paid employment in the school for 500 hours per academic year or more or who are elected members of the Local Authority are not eligible to stand in these elections.

If you would like to stand for election, please complete and sign the enclosed nomination form and return it to the school office (as a hard copy, or by email) no later than 12 noon on **Friday 16 May 2025.** You can nominate yourself. Please include a few details about yourself and why you would like to become a governor. This would be circulated to all parents to help them decide who to vote for if an election is needed.

An election, by secret ballot, will only be held if more nominations are received than the number of vacancies. If an election is needed, details of the procedure will be sent to all parents.

If you would like to find out more about being a parent governor, please read the job description on the governor page of the school website, or get in touch with our existing parent governor, John O'Regan or our outgoing parent governor, Gavin Rawson.

Please think about taking on the role or encourage other parents to volunteer. We need committed parent governors to make the governing board as effective as it can be.

We also have vacancies on the board for 2 foundation governors, so if you can think of someone in the community who you think would make a good school governor, please encourage them to volunteer too.

Yours sincerely,

Kyla Bates — *Zoë Cumming*
