1. Aims and objectives

Our special educational needs and disabilities (SEND) policy aims to:

- Make sure our school fully implements national legislation and guidance regarding pupils with SEND
- Set out how our school will:
    - Support and make provision for pupils with special educational needs and disabilities
    - Provide pupils with SEND access to all aspects of school life so they can engage in the activities of the school alongside pupils who do not have SEND
    - Help pupils with SEND fulfil their aspirations and achieve their best
    - Help pupils with SEND become confident individuals living fulfilling lives
    - Communicate with pupils with SEND and their parents or carers and involve them in discussions and decisions about support and provision for the pupil
- Explain the roles and responsibilities of everyone involved in providing for pupils with SEND
- Communicate with, and involve, pupils with SEND and their parents or carers in discussions and decisions about support and provision for the pupil
- Make sure the SEND policy is understood and implemented consistently by all staff

2. Vision and values

The Governors and staff of Kirtlington School recognise that all children have a right to a broad, balanced, relevant and differentiated curriculum. Through our school vision '*we love our neighbour just as Jesus Christ loves us'*, we aim to create a happy, educationally exciting and positive environment in which all pupils can develop to their full potential and become confident, independent individuals. We are committed to making sure all our pupils have the chance to thrive and supporting them to meet their full potential and are focused on creating an inclusive environment, where provision is tailored to the needs and abilities of pupils, no matter how varied.

We aim to:

- Ensure that our curriculum is responsive to all children whatever their individual need.
- Promote positive attitudes and individual confidence, ensuring all children experience success.
- Identify, assess, record and regularly review pupils' special educational needs.
- Encourage parents/guardians to be involved in planning and supporting at all stages of their child's development.
- Make effective use of support services.
- Create a comfortable learning environment for all learners

3. Legislation and guidance

This is based on the statutory guidance Special Educational Needs and Disability (SEND) Code of Practice, Keeping Children Safe in Education, working together to improve school attendance.and the following legislation:

- Part 3 of the Children and Families Act 2014, which sets out schools' responsibilities for pupils with SEND
- The Special Educational Needs and Disability Regulations 2014, which set out local authorities' and schools' responsibilities for education, health and care (EHC) plans, SEN co-ordinators (SENCOs) and the special educational needs (SEN) information report
- The Equality Act 2010 (section 20), which sets out the school's duties to make reasonable adjustments for pupils with disabilities
- The Public Sector Equality Duty (section 149 of the Equality Act 2010), which set out the school's responsibilities to eliminate discrimination, harassment and victimisation; and advance equality of opportunity and foster good relations between people who share a protected characteristic (which includes having a disability) and those who don't share it
- The governance guide for maintained schools which sets out governors' responsibilities for pupils with SEND
- The School Admissions Code, which sets out the school's obligation to admit all pupils whose education, health and care (EHC) plan names the school, and its duty not to disadvantage unfairly children with a disability or with special educational needs

4. Inclusion and equal opportunities

At our school we strive to create an inclusive teaching environment that offers all pupils, no matter their needs and abilities, a broad, balanced and challenging curriculum. We are committed to offering all pupils the chance to thrive and fulfil their aspirations.

We will achieve this by making reasonable adjustments to teaching, the curriculum and the school environment to make sure that pupils with SEND are included in all aspects of school life.

5. Definitions

5.1 Special educational needs

A pupil has SEN if they have a learning difficulty or disability that requires special educational provision to be made for them.

They have a **learning difficulty or disability** if they have:

- A significantly greater difficulty in learning than most others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

5.2 Disability

Pupils are considered to have a **disability** if they have a physical or mental impairment that has a substantial and long-term adverse effect on their ability to do normal daily activities.

The school will make reasonable adjustments for pupils with disabilities, so that they are not at a substantial disadvantage compared with their peers.

5.3 The 4 areas of need

The needs of pupils with SEND are grouped into 4 broad areas. Pupils can have needs that cut across more than 1 area, and their needs may change over time.

Interventions will be selected that are appropriate for the pupil's particular area(s) of need, at the relevant time.

Area of Need	
Communication and interaction	Pupils with needs in this area have difficulty communicating with others. They may have difficulty understanding what is being said to them, have trouble expressing themselves, or do not understand or use the social rules of communication. Pupils who are on the autism spectrum often have needs that fall in this category.

Cognition and learning	Pupils with learning difficulties usually learn at a slower pace than their peers. A wide range of needs are grouped in this area, including: • Specific learning difficulties, which impact 1 or more specific aspects of learning, such as: dyslexia, dyscalculia and dyspraxia • Moderate learning difficulties • Severe learning difficulties • Profound and multiple learning difficulties, which is where pupils are likely to have severe and complex learning difficulties as well as a physical disability or sensory impairment
Social, emotional and mental health	These needs may reflect a wide range of underlying difficulties or disorders. Pupils may have: • Mental health difficulties such as anxiety, depression or an eating disorder • Attention deficit disorder, attention deficit hyperactive disorder or attachment disorder • Suffered adverse childhood experiences These needs can manifest in many ways, for example as challenging, disruptive or disturbing behaviour, or by the pupil becoming withdrawn or isolated.
Sensory and/or physical	Pupils with these needs have a disability that hinders them from accessing the educational facilities generally provided. Pupils may have: • A sensory impairment such as vision impairment, hearing impairment or multi-sensory impairment • A physical impairment These pupils may need ongoing additional support and equipment to access all the opportunities available to their peers.

6. Roles and responsibilities

6.1 The SENCO

The SENCO at our school is Kyla Bates.

They will:

- Inform any parents that their child may have SEN and then liaise with them about the pupil's needs and any provision made
- Work with the SEN governor to determine the strategic development of the SEND policy and provision in the school
- Have day-to-day responsibility for the operation of this SEND policy and the co-ordination of specific provision made to support individual pupils with SEN, including those who have EHC plans
- Provide professional guidance to colleagues and liaise and work with staff, parents, and other agencies to make sure that pupils with SEN receive appropriate support and high-quality teaching
- Advise on the graduated approach to providing SEN support and differentiated teaching methods appropriate for individual pupils
- Advise on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively
- Be a point of contact for external agencies, especially the local authority (LA) and its support services, and work with external agencies to ensure that appropriate provision is provided
- Liaise with potential next providers of education to make sure that the pupil and their parents are informed about options and that a smooth transition is planned
- When a pupil moves to a different school or institution: Make sure that all relevant information about a pupil's SEN and the provision for them are sent to the appropriate authority, school or institution in a timely manner
- Work with the school governors to make sure the school meets its responsibilities under the Equality Act 2010 with regard to reasonable adjustments and access arrangements
- Make sure the school keeps its records of all pupils with SEND up to date and accurate
- Monitor to identify any staff who have specific training needs regarding SEN, and incorporate this into the school's plan for continuous professional development
- Regularly review and evaluate the breadth and impact of the SEND support the school offers or can access, and co-operate with the LA in reviewing the provision that is available locally and in developing the local offer
- Prepare and review information for inclusion in the school's SEN information report and any updates to this policy

- With the teaching staff, identify any patterns in the school's identification of SEN, both within the school and in comparison with national data, and use these to reflect on and reinforce the quality of teaching

6.2 The governing board

The governing board is responsible for making sure the following duties are carried out, though the duties can be delegated to a committee or an individual, such as the school SENCO:

- Co-operate with the LA in reviewing the provision that is available locally and developing the local offer
- Do all it can to make sure that every pupil with SEND gets the support they need
- Make sure that pupils with SEND engage in the activities of the school alongside pupils who don't have SEND
- Inform parents when the school is making special educational provision for their child
- Make sure that the school has arrangements in place to support any pupils with medical conditions
- Provide access to a broad and balanced curriculum
- Have a clear approach to identifying and responding to SEND
- Provide an annual report for parents on their child's progress
- Record accurately and keep up to date the provision made for pupils with SEND
- Publish information on the school website about how the school is implementing its SEND policy, in a SEN information report
- Publish information about the arrangements for the admission of disabled children, the steps taken to prevent disabled children being treated less favourably than others, the facilities provided to assist access of disabled children, and the school's accessibility plans
- Make sure that there is a qualified teacher designated as SENCO for the school and that the key responsibilities of the role are set out, and monitor the effectiveness of how these are carried out
- Determine their approach to using their resources to support the progress of pupils with SEND

6.3 The SEND link governor

The SEND link governor is Sheila Wilkes.

The SEND governor will:

- Help to raise awareness of SEND issues at governing board meetings
- Monitor the quality and effectiveness of SEND provision within the school and update the governing board on this
- Work with the headteacher and SENCO to determine the strategic development of the SEND policy and provision in the school

6.4 The headteacher

At Kirtlington school, the Headteacher is also the SENCO. In addition to the SENCO responsibilities, as headteacher she will:

- Work with the SEND link governor to determine the strategic development of the SEND policy and provision within the school
- Work with the school governors to make sure the school meets its responsibilities under the Equality Act 2010 with regard to reasonable adjustments and access arrangements
- Have overall responsibility for, and awareness of, the provision for pupils with SEND, and their progress
- Have responsibility for monitoring the school's notional SEND budget and any additional funding allocated by the LA to support individual pupils
- Have an overview of the needs of the current cohort of pupils on the SEND register
- Advise the LA when a pupil needs an EHC needs assessment, or when an EHC plan needs an early review
- Monitor to identify any staff who have specific training needs regarding SEN, and incorporate this into the school's plan for continuous professional development
- Regularly review and evaluate the breadth and impact of the SEND support the school offers or can access, and co-operate with the LA in reviewing the provision that is available locally and in developing the local offer
- With the teaching staff, identify any patterns in the school's identification of SEN, both within the school and in comparison with national data, and use these to reflect on and reinforce the quality of teaching

6.5 Class teachers

Each class teacher is responsible for:

- Planning and providing high-quality teaching that is differentiated to meet pupil needs through a graduated approach
- The progress and development of every pupil in their class
- Working closely with any teaching assistants or specialist staff to plan and assess the impact of support and interventions, and consider how they can be linked to classroom teaching
- Working with the SENCO to review each pupil's progress and development, and decide on any changes to provision
- Ensuring they follow this SEND policy and the SEN information report
- Communicating with parents regularly to:
    - Set clear outcomes and review progress towards them
    - Discuss the activities and support that will help achieve the set outcomes

- Identify the responsibilities of the parent, the pupil and the school
- Listen to the parents' concerns and agree their aspirations for the pupil

6.6 Parents or carers

Parents or carers should inform the school if they have any concerns about their child's progress or development.

Parents or carers of a pupil on the SEND register will always be given the opportunity to provide information and express their views about the pupil's SEND and the support provided. They will be invited to participate in discussions and decisions about this support. They will be:

- Invited to termly meetings to review the provision that is in place for their child
- Asked to provide information about the impact of SEN support outside school and any changes in the pupil's needs
- Given the opportunity to share their concerns and, with school staff, agree their aspirations for the pupil
- Given an annual report on the pupil's progress

The school will take into account the views of the parent or carer in any decisions made about the pupil.

6.7 The pupil

Pupils will always be given the opportunity to provide information and express their views about their SEND and the support provided. They will be invited to participate in discussions and decisions about this support. This might involve the pupil:

- Explaining what their strengths and difficulties are
- Contributing to setting targets or outcomes
- Attending review meetings
- Giving feedback on the effectiveness of interventions

The pupil's views will be taken into account in making decisions that affect them, whenever possible.

7. SEN information report

The school publishes a SEN information report on its website, which sets out how this policy is implemented in the school.

The information report will be updated annually and as soon as possible after any changes to the information it contains.

8. Our approach to SEND support

8.1 Identifying pupils with SEND and assessing their needs

We will assess each pupil's current skills and levels of attainment when they start at the school. This will build on information from previous settings, where appropriate. We will also consider any evidence that the pupil may have a disability and if so, what reasonable adjustments the school may need to make.

Class teachers will regularly assess the progress of all pupils and identify any whose progress:

- Is significantly slower than that of their peers starting from the same baseline
- Fails to match or better their previous rate of progress
- Fails to close the attainment gap between them and their peers
- Widens the attainment gap

This may include progress in areas other than attainment, for example, wider development or social needs.

The progress of children in assessed at regular intervals by staff as part of the school's tracking process. When teachers identify an area where a pupil is making slow progress, they will target the pupil's area of weakness with differentiated, high-quality teaching. Staff use the Oxfordshire County Council SEND indicators tool to establish key strengths and identify areas of weakness and employ a graduated approach (assess-plan-do-review) to support. If progress does not improve, the teacher will raise the issue with the SENCO to have an initial discussion about whether this lack of progress may be due to a special educational need. Where necessary they will, in consultation with the pupil's parents or carers, consider consulting an external specialist.

Slow progress and low attainment will not automatically mean a pupil is recorded as having SEN.

Potential short-term causes of impact on behaviour or performance will be considered, such as bullying or bereavement. Staff will also take particular care in identifying and assessing SEN for pupils whose first language is not English.

When deciding whether the pupil needs special educational provision, we will start with the desired outcomes, including the expected progress and attainment, and the views and the wishes of the pupil and their parents. We will use this to determine the support that is needed and whether we can provide it by adapting our core offer, or whether something different or additional is needed.

If a pupil is joining the school, and:

- Their previous setting has already identified that they have SEN
- They are known to external agencies
- They have an education, health and care plan (EHCP)

then the school will work in a multi-agency way to make sure we get relevant information before the pupil starts at school, so support can be put in place as early as possible.

8.2 Consulting and involving pupils and parents

The school will put the pupil and their parents at the heart of all decisions made about special educational provision.

When we are aiming to identify whether a pupil needs special education provision, we will have an early discussion with the pupil and their parents. These conversations will make sure that:

- Everyone develops a good understanding of the pupil's areas of strength and difficulty
- We take into account any concerns the parents have
- Everyone understands the agreed outcomes sought for the child
- Everyone is clear on what the next steps are

Notes of these early discussions will be added to the pupil's record and given to their parents.

We will formally notify parents if it is decided that a pupil will receive special educational provision.

8.3 The graduated approach to SEN support

Once a pupil has been identified as having SEN, we will take action to remove any barriers to learning and put effective special educational provision in place. This support will be delivered through successive rounds of a 4-part cycle known as the graduated approach.

1. **Assess**

The pupil's class teacher and the SENCO will carry out a clear analysis of the pupil's needs. The views of the pupil and their parents will be taken into account. The school may also seek advice from external support services.

The assessment will be reviewed regularly to help make sure that the support in place is matched to the pupil's need. For many pupils, the most reliable way to identify needs is to observe the way they respond to an intervention.

2. **Plan**

In consultation with the parents and the pupil, the teacher and the SENCO will decide which adjustments, interventions and support will be put into place, the expected outcomes, and a clear date for review.

All staff who work with the pupil will be made aware of the pupil's needs, the outcomes sought, the support provided and any teaching strategies or approaches that are needed. This information will be recorded on individual pupil profiles which are accessible to all staff working with the pupil.

Parents will be fully aware of the planned support and interventions, and may be asked to reinforce or contribute to progress at home.

3. **Do**

The pupil's class teacher retains overall responsibility for their progress.

Where the plan involves group or 1-to-1 teaching away from the main class or subject teacher, they still retain responsibility for the pupil. They will work closely with any teaching assistants or specialist staff involved, to plan and assess the impact of support and interventions and how they can be linked to classroom teaching.

The SENCO will support the teacher in further assessing the pupil's particular strengths and weaknesses, in problem solving and advising on how to implement support effectively.

4. **Review**

The effectiveness of the support and interventions and their impact on the pupil's progress will be reviewed in line with the agreed date.

We will evaluate the impact and quality of the support and interventions. This evaluation will be based on:

- The views of the parents and pupils
- The level of progress the pupil has made towards their outcomes
- The views of teaching staff who work with the pupil

The teacher and the SENCO will revise the outcomes and support in light of the pupil's progress and development, and in consultation with the pupil and their parents.

8.4 Levels of support

School-based SEN provision

Pupils receiving SEN provision will be placed on the school's SEND register. These pupils have needs that can be met by the school through the graduated approach. Where the pupil's needs cannot be adequately met with in-house expertise, staff will consider involving an external specialist as soon as possible.

The provision for these pupils is funded through the school's notional SEND budget.

On the census these pupils will be marked with the code K.

Education, health and care (EHC) plan

Pupils who need more support than is available through the school's school-based SEN provision may be entitled to an EHC plan. The plan is a legal document that describes the needs of the pupil, the provision that will be put in place, and the outcomes sought.

The provision for these pupils will be funded from the school's notional SEND budget, and potentially from the LA (from the high-level needs funding block of the dedicated schools grant).

On the census these pupils will be marked with the code E.

8.5 Evaluating the effectiveness of SEN provision

We evaluate the effectiveness of provision for pupils with SEN by:

- Tracking pupils' progress, including by using provision maps

- Carrying out the review stage of the graduated approach in every cycle of SEN support
- Using pupil questionnaires
- Monitoring by the SENCO
- Holding annual reviews for pupils with EHC plans
- Getting feedback from the pupil and their parents

9. Attendance

Many pupils with SEND face complex barriers to attendance. Their right to an education is the same as any other pupil and therefore the attendance ambition for these pupils is the same as it is for any other pupil. However, they may need additional support. Staff work closely with families and external agencies as necessary to support children with SEND to maintain attendance.

10. Safeguarding

We recognise that pupils with SEND can face additional safeguarding challenges. Children with disabilities are more likely to be abused than their peers, and additional barriers can exist when recognising abuse, exploitation and neglect in this group. All staff attend training to recognise the risks and ensure a culture of vigilance for pupils with SEND.

11. Expertise and training of staff

Training will regularly be provided to teaching and support staff. The school is committed to gaining further expertise in the area of Special Needs Education. Training may include whole-school INSET, staff meetings, training sessions for TAs, sharing of good practice, attendance at Partnership and County meetings/training sessions and the reading and discussion of documents on SEN. Individual staff development is provided both internally, by support agencies and by external training opportunities. Staff meetings are arranged to respond to the particular needs of the school.

Induction arrangements of Early Career Teachers (ECTs) and new staff include an introduction into the school's SEN policy and SEN procedures.

The headteacher / SENCO will continuously monitor to identify any staff who have specific training needs and will incorporate this into the school's plan for continuous professional development.

12. Links with external professional agencies

The school is able to call upon the expertise of a wide range of support services. These support services are consulted after discussion with the Headteacher / SENCO, and with the full agreement of parents. For assessment and advice from most of these services a request form must be filled in first, and then additional information may be required e.g. the service's own checklist, and information about strategies already in use. The SENCO holds relevant contact addresses and request forms for other agencies and support services. Other help and advice can be sort using the Oxfordshire Local Offer website.

The school may work with external support agencies such as:

- Speech and language therapists
- Specialist teachers or support services
- Educational psychologists
- Occupational therapists, speech and language therapists or physiotherapists
- General practitioners or paediatricians
- School nurses
- Child and adolescent mental health services (CAMHS)
- Education welfare officers
- Social services

13. Admission and accessibility arrangements

The school will ensure it meets its duties set under the DfE's 'School Admissions Code' by:
• Not refusing admission for a child thought to be potentially disruptive, or likely to exhibit challenging behaviour, on the grounds that the child is first to be assessed for SEND.
• Not refusing admission for a child that has named the school in their EHC plan.
• Considering applications from parents of children who have SEND but do not have an EHC plan.
• Not refusing admission for a child who has SEND but does not have an EHC plan because the school does not feel able to cater for those needs.
• Not refusing admission for a child who does not have an EHC plan.
• Not discriminating against or disadvantaging applicants with SEND.
• Ensuring policies relating to school uniform and trips do not discourage parents of pupils with SEND from applying for a place.
• Adopting fair practices and arrangements in accordance with the 'School Admissions Code' for the admission of children without an EHC plan.
• Ensuring the school's oversubscription arrangements will not disadvantage children with SEND.
Arrangements for the fair admissions of pupils with SEND are outlined in the Admissions Policy and will be published on the school website.

The school takes active steps to ensure disabled pupils have equal access and opportunities. This includes a commitment to equality, reasonable adjustments, inclusive curriculum access, provision of auxiliary aids, staff training and engagement of support services where necessary.

The school access statement and plan is available on the school website: Access Statement and Plan

14. Complaints about SEND provision

Where parents have concerns about our school's SEND provision, they should first raise their concerns informally with the class teacher. We will try to resolve the complaint informally in the first instance. If this does not resolve their concerns, parents can request an appointment with the Headteacher / SENCo. If concerns are still unresolved parents may submit a formal complaint.

Formal complaints about SEND provision in our school should be made to the Headteacher in the first instance and will be handled in line with the school's complaints policy.

If the parent or carer is not satisfied with the school's response, they can escalate the complaint. In some circumstances, this right also applies to the pupil themselves.

To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the SEN Code of Practice.

SENDIASS Oxfordshire provide impartial information, advice and support to parents and carers of children with special educational needs and disabilities and can facilitate partnership between school and families where necessary.

15. Monitoring and evaluation arrangements

15.1 Evaluating the effectiveness of the policy

We are constantly looking for ways to improve our SEND policy. We will do this by evaluating whether or not we are meeting our objectives set out in section 1.

We will evaluate how effective our SEND provision is with regards to:

- All staff's awareness of pupils with SEND at pupil progress meetings and TA training
- Identification of pupils as having SEND
- Pupils' progress and attainment once they have been identified as having SEND
- Whether pupils with SEND feel safe, valued and included in the school community
- Comments and feedback from pupils and their parents

15.2 Monitoring the policy

This policy will be reviewed by the SENCO and SEN governor **every year**. It will also be updated when any new legislation, requirements or changes in procedure occur during the year.

It will be approved by the full governing board.

16. Links with other policies and documents

This policy links to the following documents:

- SEN information report
- The local offer
- Accessibility plan
- Restorative Practice and Behaviour policy
- Equality information and objectives
- Supporting pupils with medical conditions policy
- Attendance policy
- Child protection and safeguarding policy
- Complaints policy
