Dear Parents / Carers,

'Time For' Productions CBeebies opportunity

We, among other local primary schools, have been approached by Time For Productions who are looking for families with children aged around 5 – 6 years old to participate in a new television programme for CBeebies, 'Time for celebration'. The company have previously recorded programmes such as 'Time for School' and 'Our Family', which are available on BBC iPlayer.

The new series will focus on times of celebration, following how one family prepare for and celebrate a particular festival or time of year.

The team are currently looking for families who celebrate Halloween, however they will also be looking for families to participate in episodes about Harvest, Diwali and Christmas. Next year they will be interested in families who celebrate Shrove Tuesday and Easter, among other religious festivals.

Commitment would involve two days filming in the family home, with all the family involved. It is also possible for families to 'invite a friend' to help share in the celebration, particularly where they may not know about or celebrate the festival themselves.

If you would be interested in taking part in this series, please contact Karishma Scott at karishma@makingtimefor.co.uk or on 07400 355088.

Do let us know at school if you are successful in your application, as we would love to screen the programme in school once it airs!

Kind regards,

Kyla Bates
